

Fabricator

Random International are currently looking for a workshop fabricator to join our team. The role will involve working closely with the studio's workshop staff and designers on the prototyping and fabrication of artworks.

The successful candidate will be able to work in an organised and methodical way, and pay meticulous attention to detail.

Knowledge and experience of fabricating electro mechanical designs would also be desirable.

Duration of contract is six months, with the potential to extend.

To apply, please send an up-to-date CV and a cover letter detailing previous relevant experience to work@random-international.com by midnight 30th November.
